BRIEF ABSTRACT OF LETTER

Recommends the Cancellation of the Inam tenure of lands endowed for the support of Gosai Chatteram at Nanjangud, the lands being treated as Sircar lands under the proviso to Sec 10 of the Mysore Religious and Charitable Inst^ns Regulation III of 1927 and the lands continued to the Amanis holding them at present.

NOTES AND ORDERS.

1) The lands endowed for the Chatteram are Cultivable measuring in all 224 acres as per the M.I.S. Officer's File containing his letter no C 1537/34-35 dt 7-12-35 addressed to the D.C. Mysore dt is not among the records received so far. The lands, though most of them are dry ones, have been under cultivation from the outset as seen from the Pahani Taklas

in the records, may be considered to be valuable ones, as two crops in a year are raised thereon; whereas the S. D. O. in his report of 25/6/37 of the said lands has described the lands to be of poor quality and says that an offer of 5 years assessment as upset price by the tenants cultivators to be reasonable and may be accepted

Kadim tenancy rights in respect of Devadaya and Dharmadaya lands have not been recognised so far; in the case of Sorabe temple lands (lands belonging to Sri Ramanathaswami temple) the previous Finance Member of Council minuted as follows:-

"There can be no Kadim Tenancy rights in respect of Devadaya or Dharmadaya lands; as regards Pacari lands entered to Mess. Gastons long leases may be given as these are on a different footing"

In a recent case viz. the one pertaining to Madivala Thope lands (Vide no 10x / Mes 82-36-7 of 29.7.37) the prayer of the ryots holding the lands assessed for the subsistence of the Thope on Temporary tenancy has been rejected -

In view of this, whether the proposal of the M. C. is acceptable is a matter for orders -

5) The Inam settlement register shows that the lands are Dharmadaya inam lands. Although the chattram and its inam lands were alienated more than once, the inam lands were not resumed by Govt. as the object of the grant was being fulfilled. (Vide the orders of Govt. ~~dated~~ in Nanjanad appeal No. 15 ~~dated~~ of 1917-18). As the lands of Nanjanad institutions have to be leased in open competition annually or for longer periods where necessary, there can be no Kadim tenancy in the case of Devadaya or Dharmadaya inam lands. The tenants of the inam lands are only tenants at will though they have been cultivating the land for some years. The Nanjanad Court proposes to sell the lands which are 224 acres 33 guntas in extent for an upset price equal to five years' assessment on the lands which comes to Rs 870, although the lands are valued at Rs 25 to Rs 35 per acre by the Amildar (Vide the Amildar's report dated 19th August 1936). Even if the lands are sold at Rs 25 per acre

are worth Rs 5600. If the lands are sold by auction they may perhaps fetch a much higher price. It is therefore a point for consideration whether the ~~mamool~~ upset price of Rs 870 proposed to be recovered from the tenants by the Inspection Comm. is an adequate price for the lands, the inam tenure of which is proposed to be cancelled before they are sold.

Yes 3.9.37 6. The lands being Devadaya if the purpose of the grant having failed, there seems to be no doubt that the Govt can resume the lands and dispose of them in any manner they like. No Hindu tenancy rights can exist or any rate such as would prevent the lands being at the absolute disposal of Govt. The decision in the ~~Inspection~~ Comm case has no bearing on the present case as the orders in that case proceeded on the basis that the Mutt-pitchamma was maintained in good condition & there was nothing to show that the income from the lands was being misappropriated or as it was

definitely stated therein that it was unnecessary to give any decision as to the character of the tenancy of the other tenant appellants.

7 In these circumstances it is only reasonable that the tenants should agree to pay a fair price for the lands for the conversion of the leases hereby enfranchised. 8 years' assessment seems to be too low. At least 10 years' rent may perhaps be required & the lands confirmed. Even this would be a great concession

GENERAL SECRETARY. 19 AUG. 1937

SIR,

Cancellation of the inam tenure of the lands endowed to Gosai Chattram at Nanjangud and grant of the same to the anubhavadars.

In forwarding herewith a copy of letter No.H.1375/34 dated 8-6-'35 received from the Deputy Commissioner, Mysore District, re. the above, I have the honor to state as follows:-

(1) The Gosai Chattram at Nanjangud was endowed with the 36 Survey Nos noted in the Deputy Commissioner's letter, measuring in all 224 A. -33 G. and assessed at Rs 174 in Saragur village, Nanjangud Taluk, as Dharmadaya Inam. The Chattram building having been washed away by the floods of 1924 and the Manager of the Chattram having failed to rebuild the same, the Sub Division Officer ordered that, as the object of the grant had failed, the inam lands endowed might be resumed and leased out under the Standing Orders. The land on which the Chattram originally stood has accordingly been leased out for a period of 5 years and the lease amount is being credited to the General Muzrai Funds. But attempts made to lease out the inam lands are stated to have proved infructuous as the tenants put forward adim tenancy right thereon. The Sub Division Officer, who has held an enquiry into the nature of the tenancy, has held that the tenants possess the right of adim tenancy claimed by them and recommends that the lands in their respective possession may be confirmed to them. The Deputy Commissioner, agreeing with the Sub Division Officer, recommends that the inam tenure of the lands be cancelled and the lands treated as Sirkar lands under the proviso

2

o Section 10 of the Regulation of 1927 and granted to the res tenants.

(2) Though no kadim tenancy rights can be recognised in respect of Devadaya lands endowed to Muzrai institutions, yet, in view of the fact that the institution to which the lands had been endowed is now defunct and that the last alienation of the lands had been upheld by Government in their Order Muzrai Appeal No.15 of 1917-18 and also, as the tenants have been in long enjoyment of the lands paying only full assessment on them, the Deputy Commissioner was informed that there would be no objection to concede to the request of the tenants, provided they agreed to pay a reasonable upset price in proportion to the lands in their possession. The Deputy Commissioner, in the circumstances stated in his subsequent letter dated 7-7-1937 (copy enclosed), recommends that the offer of the tenants to pay 5 years assessment by way of upset price may be accepted. A sum of Rs 370 would be realised if this rate is accepted.

3. In the circumstances stated above, I request that sanction of Government may be obtained to cancel the inam tenure of these lands and confirm them to the present holders thereof, recovering 5 times the assessment on each holding by way of upset price, the amount thus realised being ordered to be credited to the General Muzrai Funds.

The connected file of records received from the Deputy Commissioner is enclosed for reference.

4 The Secretariat File No.544-13, Serial Nos.1-9 on the subject, received with your letter No.395/Muz. dated 13/14th September 1935 is returned herewith.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

etter No.H.1375/[illegible]-6-35 from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

Inam lands endowed to Gosai Chattram - Nanjangud.

I have the honor to state that the marginally noted 36 Survey Numbers of Saragur Village, Nanjangud Taluk, measuring an extent of 224 acres 33 guntas (dry) assessed at Rs.174 have been endowed as dharmadaya inam for the support of the Hemagiri Gosai Chattram (Musafirkana) at Nanjangud. The chattram building is not in existence as it was washed away by the heavy floods of 1934. The representative of the original founder of the chattram who has been managing the inam lands has not made any attempts to reconstruct the chattram building. As the object of the inam grant has failed, the Sub Division Officer ordered on 10th March 1964 that the lands should be taken under the control of the Amildar and leased out for a period of 5 years.

2. When the sale of the lease of the lands was advertised by the Amildar, the existing tenants raised a takrar that they are the Khaim tenants enjoying the lands from a long time and paying only rent to the Manager equal to the assessment on the lands.

3. The Sub Division Officer issued Notices to the parties in possession of the lands, to show cause as to why the inam lands should not be resumed by Government and leased out, and he has made necessary enquiry in the matter. Some of them have stated that the inam lands have been in their possession from a long time, paying only the assessment fixed as rent to the Inamdar or the Manager of the Chattram, that the right of managing the Chattram and enjoying the inam lands was litigated twice or thrice previously, that the Government have upheld the last ruling in Appeal Case No.15 of 1917-18 (authenticated copy produced by them is in the records), and that the old receipts and other documents filed by them in connection with the above appeal have not yet been returned to them.

3. The Sub Division Officer reports that from the old records and deeds produced by the tenants before him, it is seen that they have been paying kandayam to the Manager, and have been enjoying the lands as if they were their own by gift, sale, mortgage, etc., that the evidence is in the presumption is more in their favour, that they have become deemed tenants, and that Government will have to recover only the assessment from them

The object for which the inam was failed. Besides, it is seen from the authenticated copy of Government Order passed in Appeal Suit No.15 of 1917-18 that the Musafirkhana and the inam lands were alienated by sale prior to 1878. The existing tenants have been paying already full assessment on the lands. Under these circumstances, I request that sanction of Government may kindly be obtained to cancel the inam tenure of these lands and to treat them as sircar lands under the second proviso to Section 10 of the Mysore Religious and Charitable Institutions Regulation of 1927.

5. The entire file of records of enquiry are is submitted herewith.

Letter No.H.1375 7-7-37 from the Deputy Commissioner, Mysore District, to the Muzr oner in Mysore.

Subject:- Inam lands endowed to the Gosai Chattram at Nanjangud.

With reference to your D.O.No.C.1537/34-35 dated 7/8th June 1937 calling for further particulars on the above subject, I have the honor to forward herewith the entire correspondence ending with report No.Muz.53/33-34 dated 25th June 1937 from the Sub Division Officer, Nanjangud, and to state as follows:-

It is reported that the Gosai Chattram of Sargur village was washed out during the high floods of 1924-25. The lands endowed to the chattram were inspected by the Amildar on 7th August 1936 and it is reported that excepting 2 or 3 Survey Nos., the rest are under cultivation and that as per the statement of villagers, these lands are only Kasuri banjar and that as the soil is sand and of a poor quality, they can be valued at Rs 20 and Rs 30 per acre.

The tenants in their statement before the Amildar on 21st September 1936 pleaded inability to pay an upset price of Rs 30 and state that as previously agreed to, they would pay 5 times the assessment as upset price. The phani extracts for the year 1930-31 to 1935-36 are enclosed in the records as also the valuation statement received from the Sub Registry Office.

The Sub Division Officer, Nanjangud, states that he inspected the lands on 25th June 1937 and that they are of poor quality and situated two miles away from Sargur, on a ridge. He recommends that as the tenants have been enjoying the lands for a long time, the offer of the 5 years' assessment as upset price could be accepted and the lands confirmed to them.

Agreeing with the opinion of the Sub Division Officer, I request that the lands may be given over to the present tenants at 5 years' assessment.

Sir,

With reference to your letter No.1537/36-35 dated the 12th August 1937, regarding cancellation of the Inam tenure of lands endowed to Gosai Chettram at Manjanud and grant of the same to the anubhavadars, I am directed to state that the lands in question being Dharmadaya and the purpose of the grant having failed, Government are entitled to resume the lands and dispose of them in any manner they like. No valid tenancy rights can be recognised which would prevent Government from resuming the lands on failure of the purpose for which they were granted. In these circumstances the Government would be justified in resuming the lands, and if the lands should be continued to the present anubhavadars it can be only as a matter of concession provided they agree to pay a reasonable price. Government consider that the recovery of 5 years' assessment is too low and that 10 years assessment would be the least that might be received from the ryots.

I am to add~~recovery~~ that cross in the Appeal Case No.15 of 1917-18 proceeded on the basis that the Vasaillikhana was maintained in good condition and there was nothing to show that the income from the lands was being misappropriated and ~~as~~ it was definitely stated therein that it was unnecessary to give any decision as to the character of the tenancy of the other appellants and that the circumstances of the present case are different.

The records received with your letter under advertence are herewith returned for reference and retransmission.

Cancellation of the Inam tenure of lands belonging to Gosai Chattram at Nanjangud and grant of the same to the tenants.

With reference to your letter No.491/Muz.52-37-2 dated 27th September 1937 re. the above, I have the honor to forward herewith a copy of letter No.H.1375/34 dated 15-8-1938 from the Deputy Commissioner, Mysore District, stating that the tenants have, in their statement before the Amildar dated 10-8-1938, pleaded their inability to pay more than 5 years assessment as upset price in addition to the arrears of assessment outstanding payment from 1930-31. The Amildar, in his report dated 10-8-1938, states that in view of the poor nature of the soil and of the poor circumstances of the tenants, they are unable to pay 10 times the assessment as upset price, and recommends that their prayer, to pay 5 years assessment, may be considered favourably. The arrears of assessment till the end of 1937-38 come up to Rs 1,392 and the upset price recoverable, at the rate proposed by the Amildar, comes up to . 870.

2. In the circumstances reported by the Amildar, I request that sanction of Government to my previous recommendation of 19th May 1937, to cancel the inam tenure and confirm the lands to the present annubhavadars on recovery of 5 years assessment as upset price, may be obtained
